

FASHANNE

Fashanne Summer 2022

On May 5th 2022, at the beautiful St Mary's Church in Nottingham, we were delighted to be able to host our show live once again and we were thrilled that so many of you were able to join us on the night!

Hopefully, like us, you were blown away by the incredible & inspiring work from the young designers we saw on the night. The finalists demonstrated huge skill and imagination, taking inspiration from new sources and unashamedly tackling themes & concepts such as mental health, sexuality, sustainability, inclusion and omnicide. The judges, equally impressed commented, that the show was "impactful, innovative, engaging, dynamic, original and exceptional."

Over the last six years, Fashanne has brought together some of Britain's most iconic and famous fashion and retail brands to help foster and nurture these young up and coming designers and we would like to express our sincerest thanks for the incredible support from all of the brands involved. Our thanks also go to all the judges including our esteemed head judge, the legendary Patrick Grant.

The biggest thanks of all though goes to the universities and the incredibly talented students, who work tirelessly to design and create the collections. We are so excited for all of you and honoured to be able to promote and showcase the huge talent in our universities. Fashanne is proud to connect you, this new generation of designers, with industry, bridging the gap between education and employment. We can't wait to see what is next for you all!
