## **THE 2026 FASHANNE PROGRAMME**

*Founded in 2016, Fashanne is the only major, not for profit, design awards outside the capital to bring together the talent in our universities and showcase it, under one roof, to industry. Now based in the historic home of Nottingham's Lace Market, Fashanne has grown significantly – from just two award categories in year 1 to twelve and so is a huge opportunity for companies to not only form relationships with the next generation of talent, but to also support CSR/ESG goals, build brand engagement outside the M25, and take advantage of the marketing benefits and brand exposure that go hand in hand with these Awards.*

*Reaching more than 4 million people every year through a large photographic display at East Midlands airport alone, Fashanne also connects with countries beyond UK borders as international students garner votes on the online People's Choice award. This year almost fifty thousand votes were cast.*

*In Fashanne's inaugural year at Belvoir Castle, Tatler likened the Awards to Dior showing at Blenheim – participating companies are able to take full advantage of this annual corporate hospitality event, shining a light on their business in a unique and unforgettable way.*

*Fashanne also helps enhance the collective value of the Fashion and Textiles Industry in this country and through sponsorship packages, companies can access and form long term sustainable relationships with some of the most talented graduates of our universities. Alongside that sponsors are invited to join our bespoke online workshop programme, connecting with the next generation through mentoring and internships, underlining the importance of investing in the future generation.*

*Participating in Fashanne supports the newest generation of fashion talent. Almost 500 students have taken part since 2016 from universities including NTU, DMU, Derby, Lincoln, Northamptonshire, Loughborough, BCU and Huddersfield. More than thirty internships have been taken up with participating companies that include Pentland Brands, NEXT, Paul Smith, ITL Group, Stoll GB, GreenEarth Cleaning and Waring Brooke.*

“The standard at Fashanne is phenomenal. For me, it’s a treat to spend time with such engaged, enthusiastic and talented young people. We have a big challenge ahead of us in this industry, and only with ingenuity and creativity in design and the making of the clothes, we are going to solve this problem. Every year I’m delighted and surprised to see what the students produce.”
